Star Power Shines On Mainstream Top 40

Justin Bieber, Taylor Swift and Jennifer Lopez storm Billboard's Nielsen BDS-based Mainstream Top 40 chart with new singles, led by Bieber's record-breaking bow.

Bieber's "Boyfriend" launches at No. 20 with 3,961 first-week plays, marking the best first-week sum for a song by a male artist in the chart's almost 20-year history. The song also ties for the seventh-best positional start among all acts in the chart's archives.

The arrival of "Boyfriend" is all the more impressive given Bieber's track record at Mainstream Top 40, where the teen star has yet to log a top 10. Despite his sales success (8 million albums sold, according to Nielsen SoundScan) and high social media profile (19 million Twitter followers), Bieber has charted only as high as No. 14 with debut hit "One Time" in 2009.

"Boyfriend," which also roars onto the Rhythmic chart at No. 21, is set for a likewise lofty launch on the Billboard Hot 100 this week, aided by sales of approximately 400,000 first-week downloads, according to industry projections. Check Billboard.com

and Billboard.biz on April 4 for the earliest highlights of the Hot 100 and Hot Digital Songs charts.

SWIFT START: Taylor Swift scores her highest Mainstream Top 40 debut, as "Eyes Open" bounds in at No. 28. The song, from the soundtrack *The Hunger Games: Songs From District 12*, which debuted at No. 1

on the Billboard 200 last week with 175,000 copies sold, according to SoundScan, starts even higher on Adult Top 40 (No. 24). The debut is the Adult Top 40 chart's highest since Dec. 13, 2008, when the Fray's "You Found Me" began at No. 19. **'DANCE' CHART:** Jennifer Lopez completes the Mainstream Top 40 chart's trio of debuts, as "Dance Again," featuring Pitbull, shimmies in at No. 34. The pair teamed last year for the No. 5-peaking "On the Floor," Lopez's first top 10 since 2003. The video for "Dance," now available at iTunes, will premiere April 5 on "American Idol."

Billboard's Mainstream Top 40, Rhythmic and Adult Top 40 charts rank total weekly plays (for the week ending Sunday) on 139, 69 and 86 stations, respectively, as monitored 24 hours a day, seven days a week by Nielsen BDS. Titles receive bullets if even or gaining in weekly plays. Average Plays per Station reflects Mainstream Top 40 titles' weekly plays totals divided by the number of stations on which they received airplay in the chart's tracking week. Greatest Gainers reflect titles with the top weekly increases in plays. New and Active lists the top titles gaining in plays below the Mainstream Top 40 chart. Chart data presented in this update is preliminary and subject to change, pending final review by Billboard and BDS. Finalized charts can be viewed on Monday afternoon via Nielsen BDS' subscription platforms or via subscription to www.billboardplus.com. © 2012, Prometheus Global Media, LLC and Nielsen BDS, Inc.
